HISPANIC MENU

Instructions. Write a paragraph describing a meal from the Spanish speaking country (or territory) you would serve to your friends. Include the courses that are appropriate for your locale. Some examples might include any of the following: Appetizer, Main Course, Salad, Dessert, and Beverages. Your paragraph must be in Spanish and be at least six sentences long. Once you have finished, use the reverse side of this page to create a menu with a border, images, and any other visual components you'd like to include.
