Directions: Read the scenario of Diego, a student at Anywhere High School. Then, determine which barriers Diego faces by decoding the emoji puzzles below.

Diego	
Diego is a dedicated student who juggles school with important responsibilities at home, like helping care for his family. He's interested in college, but meeting academic readiness requirements feels overwhelming. He also has limited time to use the computers in the school library, which makes it harder for him to explore his options. Even with these challenges, he's motivated to find a path forward; he just needs support that fits his reality. What barriers might be in the way of Diego's college pathway?
