## **WIS/WIM**

| WHAT I SEE   |               |
|--------------|---------------|
| STRENGTHS    | OPPORTUNITIES |
|              |               |
|              |               |
|              |               |
|              |               |
|              |               |
|              |               |
| WHAT IT N    | ΛEANS         |
|              |               |
|              |               |
|              |               |
| WHAT I'll DO |               |
|              |               |
|              |               |
|              |               |
|              |               |

| WHAT I SEE |               |
|------------|---------------|
| STRENGTHS  | OPPORTUNITIES |
|            |               |
|            |               |
| WHAT IT    | MEANS         |
|            |               |
|            |               |
|            |               |
|            |               |
