# **DIGITAL RESEARCH POSTER GUIDE**

## How to Create a Digital Poster Using Google Slides

### 1. Brainstorm

- Keep the following questions in mind as you brainstorm ideas for your digital poster:
  - o Who is the famous person and what are they known for?
  - Why are they important to you?
  - What challenges did they face throughout their journey?
  - How did they overcome these challenges?

#### 2. Create your poster

• Open Google Slides
