

# MICRO-GOALS PLANNER

Record your big goal below. How will you break it into smaller tasks? Make a list of the micro-goals you plan to use to reach the big goal. Include due dates for each micro-goal to stay on track.

| Big Goal |            |
|----------|------------|
| Date     | Micro-Goal |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
|          |            |
