TESTNAV TASKS

Using a personal device, go to home.testnav.com and click The ACT > Practice Tests > Reading > Reading - Untimed. It is not necessary to enter your name. Complete each task below to explore the tools offered during the online ACT reading test.

Complete Each Task	What is the result? How can this tool help on the test?
Read the instructions thoroughly before clicking the "Start" buttons.	
Click the "Review" button.	
Click the "Bookmark" button.	
Click the "X" button next to the pointer icon, then click on any answer choice.	
Click on an answer choice previously eliminated.	
Use the cursor to highlight text in the passage.	
Click the "User Dropdown Menu" (person) button. Explore the different options.	
How can the online tools help you do your best on the ACT reading test?
