Pairing Tables and Figures

Essential Question

How can I improve my ACT score?

Learning Objectives

- Analyze diagrams and evaluate the information they convey
- Synthesize information from one table or figure to answer questions about another table or figure

Diagram Doubles

3-Minute Timer

Table Team Up

Which town likely had the most people impacted by some slight building damage?

Table 1

Location	Magnitude	Population
Carney, OK	4.0	545
Choctaw, OK	3.7	12,182
Cushing, OK	4.1	8,327
Pawnee, OK	5.8	1,936
Prague, OK	5.7	2,356
Waynoka, OK	5.1	708

Table 2

Magnitude	Effects
< 2.5	Not felt
2.5 - 5.4	Minor damage
5.5 - 6.0	Slight building damage
6.1 - 6.9	Significant damage
7.0 - 7.9	Serious damage
> 8.0	Catastrophic damage
