CARD SORT: DEFINITION CARDS

This is where members of an organization form a line and move together, celebrating their organization. They may use the organization's call, sign, and traditional dances as part of this display. The movements and calls are unique to an organization and not intended for use by non-members.

The use of strenuous or humiliating acts intended as a form of initiation. It is prohibited by all national Greek organizations.

The members of a local collegiate group of a national fraternity or sorority.

A term for the ceremony/rituals where new members are formally recognized as full members of the organization.

Members who went through the membership intake process together.

Activities organizations engage in for the public good, such as charitable projects or the collection of donations for a cause.

A unique vocal sound attributed to a certain organization that members use to acknowledge each other. These sounds are not meant to be used by non-members.

A place for prospective students to gain more information about a particular fraternity or sorority.

A particular symbol or hand motion that identifies an organization. These are special to members and as such, are not intended to be made by non-members.

The term for when a new member has become fully initiated into the fraternity/sorority.
