

# QUEST FOR THE ORGANIZED MIND

Monday: Basketball practice after school (affects after-school study time).	Wednesday: Quiz in Math class	Friday: Early dismissal due to a school event (adjust deadlines accordingly).	Class permission slip due next week (collect today).
Guest speaker in Science class (may require note-taking).	Fire drill scheduled for Wednesday afternoon (disrupts class schedule).	Debate team practice after school on Tuesday (optional, but might affect other commitments).	Tuesday: Your best friend's birthday!
Thursday: History timeline due	Weekend trip to Grandma's	English: Write a one-page summary of Chapter 3 (due Wednesday).	Science: Complete the experiment on plant growth (collect lab coat & goggles on Monday).
History: Create a timeline of key events for the French Revolution (read Chapter 4 beforehand).	Math: Practice solving 20 problems from Worksheet B (increases urgency with pop quiz announcement).	Start researching a topic for your upcoming History presentation.	Complete online practice problems for the upcoming Chemistry test.
General: Update your planner with all the announced deadlines and events.	Write a one-paragraph reflection on the novel you're reading in English class.	Prepare a short presentation on a current event for Social Studies class.	Make a poster for the upcoming basketball game.
Review vocabulary list for upcoming Spanish quiz.	Science: Lab coat and goggles needed for plant experiment (Monday).	History: Textbook Chapter 4 assigned for reading (preparation for upcoming lesson).	Permission slip needed for upcoming field trip (collect on Monday).

Wash your basketball uniform for the game.	Collect handouts on the French Revolution from the teacher's desk.	Charge your laptop overnight for a presentation due on Thursday.	Bring art supplies (colored pencils, markers) to class on Tuesday.
Download a specific app needed for a project in Biology class.	Pick up permission slip for upcoming museum trip from the main office.
