

## VISUALIZE YOUR CAREER

Use the prompts below to help you reflect on your College2Career Forum session. Examine how you can incorporate it into your future postsecondary and career plans.

Binoculars (big picture)	Notes
<p>Can I see myself in this career field later in life?</p> <p>How does this field play a role in the bigger world?</p>	
Microscope (close inspection)	Notes
<p>What are some of the smaller details of the career(s) I experienced today that I hadn't thought about before?</p> <p>How do my skills fit with this/these position(s)?</p>	
Mirror (self-reflection)	Notes

**How do I feel about the career(s) I experienced today?**

**Has this experience helped me think about what I want to do after high school?**
