

**“I enjoy building,  
fixing, or working  
with tools and  
machinery.”**

**“I love solving  
complex problems  
and discovering how  
things work.”**

**“I’m drawn to  
creative expression  
and bringing new  
ideas to life.”**

**“I feel energized  
when I’m helping  
others reach their  
potential.”**

**“I thrive on leading projects and persuading others to take action.”**

**“I find satisfaction in  
organizing  
information and  
creating efficient  
systems.”**
