

# ACCUPLACER TIPS AND TRICKS

Use this document and the resources listed to help prepare and study for your Accuplacer test.

## Typical Test Format Tips:

- The Accuplacer test has three sections: **Reading, Writing, and Math** (Arithmetic, Quantitative Reasoning, and Advanced Algebra).
- Each section will have 20 questions; except for the Writing section which may have 25 questions.
- The test is untimed. Take your time in answering the questions!
- A digital calculator is provided for the online exam. You do not need to bring one.
- The first attempt at the test is usually free of cost. Additional attempts usually cost per section.

## Questions to ask your intended Post-Secondary Institute:

- What are your conditions for the Accuplacer?
  - Is the test timed?
  - Can I use a calculator?
  - Is the test online or a hard copy?
- Is there a cost for taking the test?
- Do you have any test preparation materials such as booklets or in-person sessions?
