Notes

Strategy

What strategy is the student currently using? What strategy was introduced in this session?

Next Tutoring Session:

Next Steps

To prepare for next week:

- Encourage the student to practice the strategy on their assignments, quizzes, and tests.
- Remind the student to bring any assignments, questions, or topics to work on to the next session.
- Remind the student to ask for help when they need it, celebrate their successes, and be patient with themselves as they learn new strategies and topics.

Student Questions

What questions does the student still have?
