

Causes of WWI

This cartoon shows people fighting over a cake

**Important objects:
People, Cake,
Knives.**

**The caption,
translated
from French,
reads: In China
- the cake of
kings...and of
emperors.**

The people represent European countries such as Great Britain, Germany, and Japan. China is trying to stop the European countries from taking pieces of China.

The part of MAIN represented is Imperialism because countries want to control China.

Imperialism led to WWI because it created competition and tension between European countries.
