

## OUR GLOBAL VILLAGE

Listen as the book is read aloud. Record as much information about the people in our global village as you can.

| Where are they from?  |  |
|-----------------------|--|
| Asia                  |  |
| Africa                |  |
| Europe                |  |
| Central/South America |  |
| Canada/United States  |  |
| Oceania               |  |

| Which languages do they speak? |  |
|--------------------------------|--|
| Chinese                        |  |
| Hindi                          |  |
| English                        |  |
| Arabic                         |  |
| Spanish                        |  |
| Bengali                        |  |
| Russian                        |  |
| Portuguese                     |  |

| Which countries are they from, exactly? |  |
|---|--|
| China                                   |  |
| India                                   |  |
| United States                           |  |
| Indonesia                               |  |
| Brazil                                  |  |
| Pakistan                                |  |
| Nigeria                                 |  |

| Which religions do they practice? |  |
|-----------------------------------|--|
| Christians                        |  |
| Muslims                           |  |
| Non-Religious or Atheist          |  |
| Hindus                            |  |
| Folk Religions                    |  |
| Buddhists                         |  |
| Other Global Religion             |  |

| Who has access to these resources? |  |
|------------------------------------|--|
| Safe Water                         |  |
| Unsafe Water                       |  |
| Clean Air                          |  |
| Unclean Air                        |  |

| How many children go to school? |  |
|---------------------------------|--|
| Kids that can go to school      |  |
| Kids that do go to school       |  |
