

## INTERLOPER DEFINED

### Definition

Define *interloper*.

### Examples and Evidence

In the table below, provide five examples of interlopers from the text and textual evidence to support these examples.

Examples of Interlopers	Text Evidence
1.	
2.	
3.	
4.	
5.	

### Point of View Questions

Answer the following questions about conflict, motivation, and setting from the point of view of one of the main characters.

Circle the character whose point of view you would like to represent: **Ulrich von Gradwitz** or **Georg Znaeym**

Question	Answer
What was the conflict?	
What was my (character's) motivation?	
What is the setting?	
What effect does the setting have on the events?	

### Reflection

Write a statement to summarize your observations about the effect of the setting on each of the main characters: Ulrich von Gradwitz and Georg Znaeym.
