

## NATURE AND MAN-MADE RESOURCE MATCHES

These are the matches for the Card Sort. Students will be able to generate many more ideas. **The focus should be that all man-made objects are made from natural resources.**

- A. **Cattle** – Footballs made from hides; leather jewelry
- B. **Cotton Plant** – Shirts; reusable shopping bags, sewing thread; books
- C. **Mountain** – Minerals from inside the mountain mined for making computers; rocks and gems for jewelry; iron ore to make the water fountain; surfboard
- D. **Ocean** – Surfing and entertainment; food
- E. **Oil** – Plastic parts for computers and games; reusable shopping bags
- F. **River** – Water for drinking, both animals and humans; trees; plants
- G. **Rocks, Gems, Minerals** – Computers; jewelry
- H. **Trees** – Books; games; beauty; stability for soil
- I. **Volcano** – Ash produces fertile soil for trees and plants; brings minerals to the surface for mining
- J. **Water** – Drinking for humans and animals
