

SAMPLE FIVE-POINT PROGRAM

What We Want Now!

1. We want access to equal education in our communities to ensure all students receive quality education.
2. We want equal access to athletic opportunities for students in urban communities.
3. We want equal opportunity for women in the workforce, including, but not limited to, equal pay, promotions, leadership opportunities, etc. to help close the wage gap and enable representation in leadership positions.
4. We want equal access to healthcare in our communities, creating health clinics, and affordable access in urban communities.
5. We want equal access to food, ending food deserts in urban communities, and providing grocery stores that provide affordable, quality food.
