

WHERE DO ANIMALS LIVE AND WHAT DO THEY EAT?

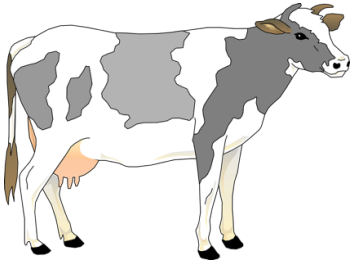

The information on each of the below cards can help your students with their farm research. If your students are not reading yet, have them match the cards by looking for key words and pictures.

Instructions: Cut each set into three pieces. If you want the sets to be self-checking, you can color code the sets or mark the cards on the blank side. Laminate for extended use.

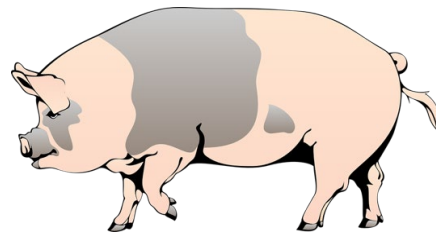

The cow lives in the barn and the pasture.

Cows eat grass.

Cow

Pigs live on a farm.
Pigs like to play in the mud to stay cool.
Pigs like to eat fruit, grass, bushes, vegetables and nuts.
Pigs like cabbage a lot .
