

## CHOOSE YOUR SUPERHERO

Add your name to the table below of the ray that you want to do your superhero over. No more than three people can be assigned to each ray. Add your superhero to the discussion board for others to view and collect information.

| Types of Rays     | Person #1 | Person #2 | Person #3 |
|-------------------|-----------|-----------|-----------|
| Radio             |           |           |           |
| Microwave         |           |           |           |
| Infrared          |           |           |           |
| Visible light     |           |           |           |
| Ultraviolet light |           |           |           |
| X-ray             |           |           |           |
| Gamma             |           |           |           |
