

JUSTIFIED TRUE OR FALSE

Indicate if the following statements are true or false by checking the corresponding box. Then, justify your reasoning.

Statement	True	False	Justification
Organs, eyes, and tissues cannot be given to different ethnic groups or the opposite sex.			
When I get my Oklahoma driver's license, I am automatically registered as an organ, eye and tissue donor.			
Anyone can sign up as an organ, eye, and tissue donor, regardless of medical history or age?			
One organ donor can save up to eight lives and one tissue donor can enhance the lives of up to 75 people.			
If a donor is over the age of 18 and is listed on the Oklahoma Donor Registry, family authorization is not required before organ, eye and tissue donation can take place.			
When you are admitted to the hospital, the number one priority is to save your life.			
Celebrities and wealthy people on the waiting list receive priority for an organ.			

It is against federal law to sell organs, eyes, and tissues.			
The donor family must pay for organ, eye, and tissue donation.			
If everyone registered as a donor, fewer people would die waiting for a transplant.
