

Sculptures

Pablo Picasso

Picasso revealed 200 sculptures in 1966. These sculptures had been previously unknown to the public.

Using the Playdoh, create a representation of a person who may seem like a competitor but could be a collaborator.

Take a picture of your sculpture and post in SEESAW.

Record your voice to explain your model. Who is it? Why did you choose this person? What artist's style did you use?

Cutouts

Matisse

After being diagnosed with a disease, Matisse spent the last fourteen years of his life in a wheelchair. Although his medium changed to “painting with scissors,” his forms stayed true.

Create a representation of a person who may seem like a competitor but could be a collaborator out of construction paper.

Take a picture of your cutout art and post in SEESAW.

Record your voice to explain your model. Who is it? Why did you choose this person? What artist’s style did you use?
