

DEBATE TEAM CAROUSEL

Directions: In each box, follow the directions to create an argument for your opinion/claim.

Question/Topic: Who was right about how much power a government should have? Hobbes or Locke?

1. Write your opinion and give your rationale.

2. Add a supporting argument. Read your classmate's response in #1. In this space, give another reason that supports your classmate's response.

3. Add an opposing argument. Add another reason that could be used to argue against the opinions stated in #1 and #2.

4. Add your thoughts. Read through all three boxes and then make a statement about your opinion and your reasons for that opinion.
