

LETTER FROM ALIEN NATION

Greetings earthling,

Due to the recent demise of your country and our subsequent takeover, you are now under our control. Under your past government's rule, you were allowed certain "rights" that we are not willing to recognize. However, we are a just society and will not completely wipe all of them out. We will acknowledge and enforce two of the Constitutional rights outlined in the first ten amendments (the Bill of Rights). It is up to you as a society to decide which two you will keep. The decision will be made by majority rule. You have little time to make your decision, so make haste!

Sincerely,

Zee-bo-dee-ba, Representative from Planet X
