

CREANDO COMPUESTOS

Selecciona un sólido de cada una de las columnas 1 a 4 y marca con un círculo tus selecciones. Usa los sólidos seleccionados para crear un modelo. Dibuja tu modelo y calcula su área superficial. Todas las dimensiones dadas están en pulgadas.

¿Listo para un reto adicional? Incluye también un sólido de la columna «Extra Challenge» en tu modelo y en los cálculos del área superficial.

Columna 1	Columna 2	Columna 3	Columna 4	Extra Challenge
 Regular Triangular Prism	 Regular Pentagonal Prism	 Regular Triangular Pyramid	 Regular Pentagonal Pyramid	 Sphere
 Cube	 Regular Hexagonal Prism	 Square Pyramid	 Regular Hexagonal Pyramid	 Hemisphere
 Rectangular Prism	 Cylinder	 Cone	 Regular Octagonal Prism	 Right Triangular Prism
