

CHOOSE A CAMERA

What type of camera(s) would you use for each of the following shots and why? Pick up to two of the cameras discussed in the lesson for each shot and explain your reasoning.

A point-of-view (POV) shot of a student riding a skateboard or a bicycle.

A long, sweeping shot of someone walking and talking on the phone.

A close-up conversation between two people seated at a table in a dim room.

A dance-off battle.

A sideline view of a sporting event.
