

“THE NECKLACE” THEMATIC ONE-PAGER

Your one-pager should include each of the following elements. It will be on display for the class, so neatness and visual appeal are important.

1. Write your chosen theme, word, **or** statement on the page.
2. Draw one graphic that illustrates your chosen theme.
3. Include three pieces of textual evidence directly from the text that support your chosen theme.
4. In the border around your page, include YOUR words on how that theme builds meaning and the author’s purpose in “The Necklace.”
