

13.

Look at the picture and count the shapes.

There are \_\_\_\_\_ square(s).

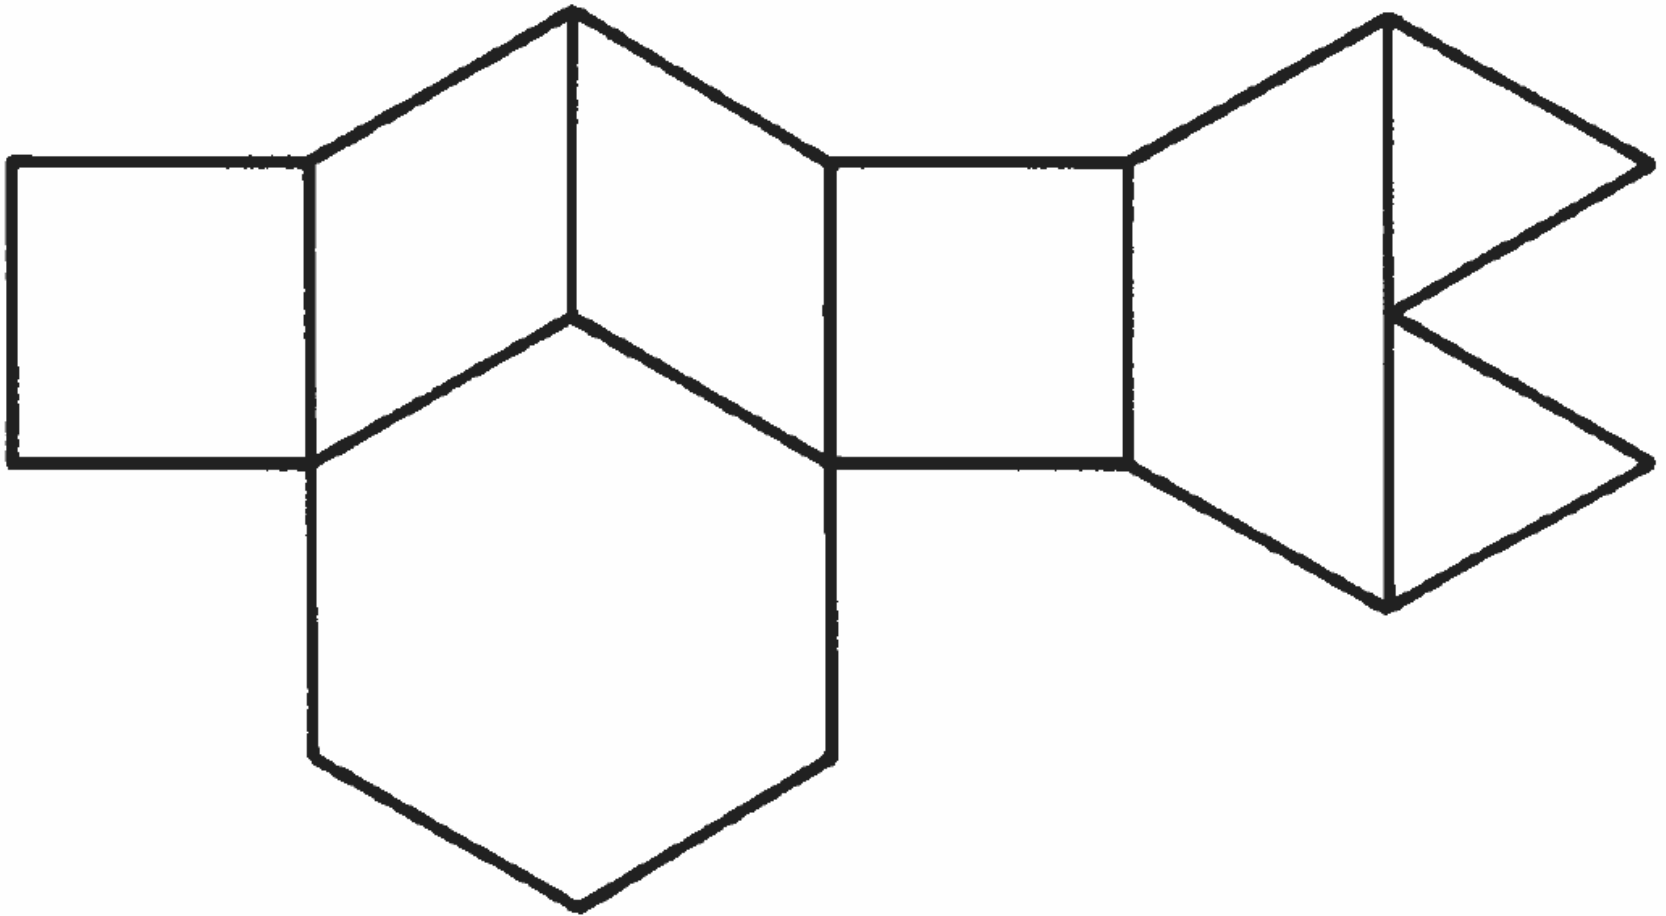

There are \_\_\_\_\_ rectangles

There are \_\_\_\_\_ circles.

There are \_\_\_\_\_ triangles

14.

Cover this design with blocks.

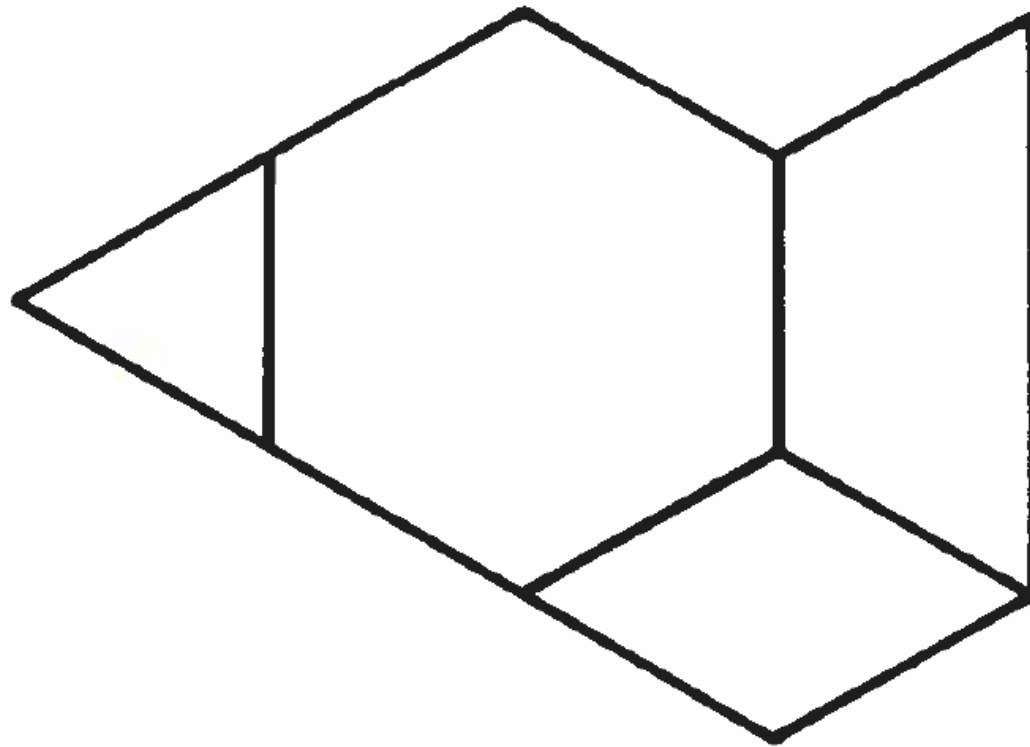

Now make it on the table.

16.

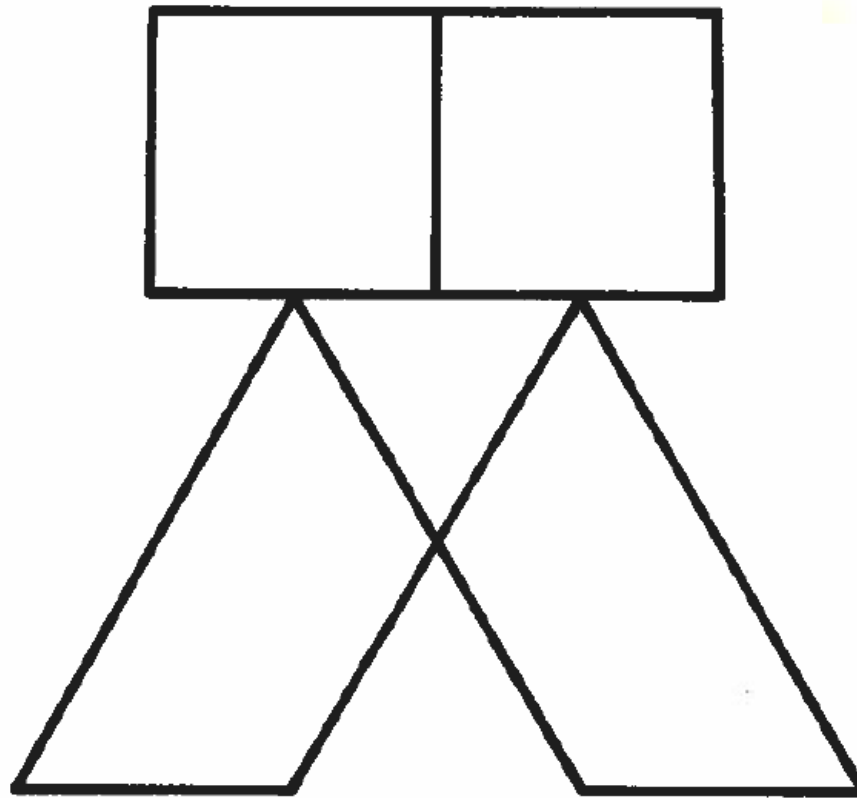

Cover this design. The blue rhombus is on the bottom.

Make it again, but turn it so the blue rhombus is on the side.

17.

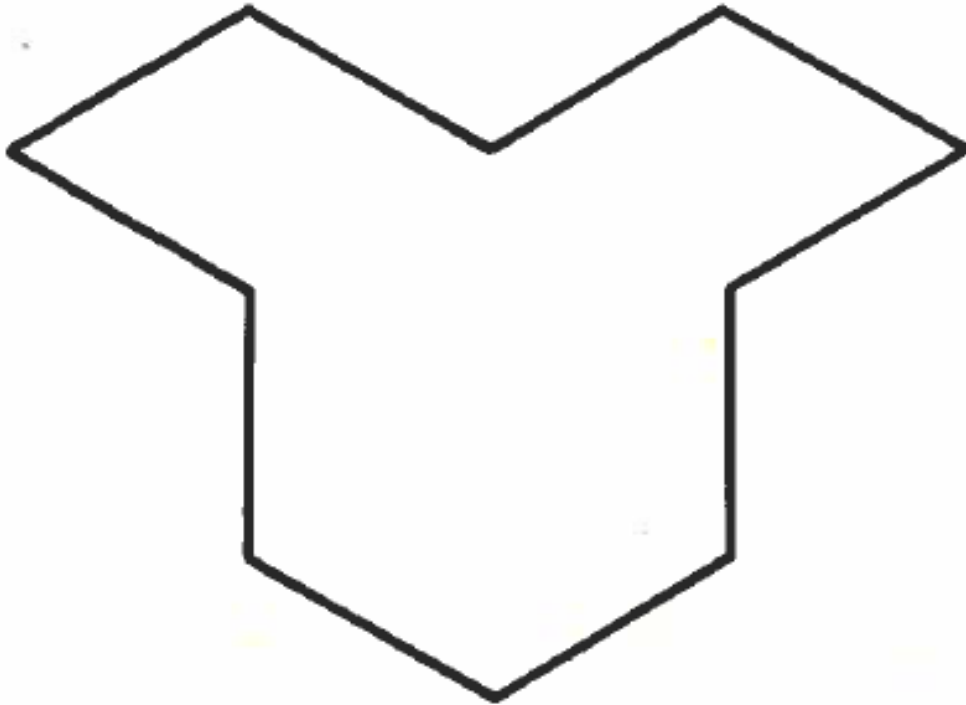

Cover this design with blocks.

Now make it again, but flip it so the squares are on the bottom.

18.

Cover this shape with the **most** blocks you can.  
Then do it again using the **fewest** blocks you can.

most
