

GALLERY WALK RUBRIC

	3 STRONG	2 ADEQUATE	1 POOR
Generations	There are multiple “generations” that account for time and a significant change	There are “generations”, but time and changes weren’t accounted for	It is difficult to tell if there are “generations” or not
Evidence	Relevant, effective, factual/logical, specific, and is included in the poster	Lacking some relevancy, lacks significance	No evidence given to why generations were divided or what changes were made
Flow	Goes in one direction, indicating time; there can be multiple branches, but all in the same direction	There is a logical order, but it doesn’t relate to time	There is no direction or accounting for time or logical order
