

I Theme, You Theme, We all Theme for Ice Cream!

Adapted from ideas presented in "Difference Between Theme and Topic." (2015, November 12). Retrieved from <http://pediaa.com/difference-between-theme-and-topic/>

Topics can be found in the writing and are more general than themes.

Topics

You have to delve deeper to get to the themes because they aren't stated in the writing, but they are the reason the piece was written. What message did Mo Willems want to convey in his book *Should I Share My Ice Cream?*
