

ARGUING WITH EVIDENCE

Group Member Names: _____

Directions:

Using the [News ELA website](#), choose an article under your group's topic. Read the article together, then complete the following to construct your argument.

Thesis (This is the main idea of your argument. Which side are you on?)

Evidence (How are you supporting your thesis? Give at least three direct examples from the article or the comments.)

1. _____

2. _____

3. _____

Counterarguments (think of at least two counterarguments someone could make against your thesis. Defend your answer with evidence!)

1. _____

2. _____

3. _____
