

# PLANTILLA DE POEMA A DOS VOCES

Un poema a dos voces es una presentación oral en la que participan dos personas. Cada uno dice su parte y el estribillo es lo que se dice en conjunto. Ejemplo: las partes “Somos...” se dicen juntas al mismo tiempo.

The form consists of three identical vertical sections. Each section has two speech bubble boxes at the top, one on the left and one on the right, and a larger rounded rectangular box in the center. The text in the speech bubbles is in red italics, and the text in the central box is in black. The sections are labeled as follows:

- Top left: *SOY...*
- Top right: *SOY ...*
- Center: *SOMOS...*
- Top left: *SIENTO...*
- Top right: *SIENTO...*
- Center: *SENTIMOS...*
