

ALWAYS, SOMETIMES, OR NEVER TRUE?

Read the statement in the first column and decide if it is always, sometimes, or never true. Circle your decision in the second column. In the third column, justify your decision.

Statement	Always, Sometimes, or Never True?	Justification
People are naturally good.	Always Sometimes Never	
Dictatorships are the best form of government.	Always Sometimes Never	
Most countries have always had free market economies.	Always Sometimes Never	
People should give up some freedoms for safety and security.	Always Sometimes Never	
For something to be true, it must be believed or accepted by everyone with no disagreement.	Always Sometimes Never
