## **MY WOLF PACK**

As you read the history and lore about your identified wolf pack, take some time to jot down key information that will help you write your monologue.

| Topic                         | Key Information  |        |        |
|-------------------------------|--|--------|--------|
| My Wolf Pack                  |  |        |        |
| Where does my pack come from? |  |        |        |
| How did I come across this?   | Born   | Bitten | Cursed |
| When do you transform?        |  |        |        |
| Descriptive Words             | Write down any descriptive words that pop up in your reading that help you "paint a picture" of your werewolf. |        |        |
