

EXPRESSED, RESERVED, OR DENIED?

Choose any eight statements from the twelve below. Decide whether it is a bill that the federal government has the power to create. Mark yes or no; then provide your reasoning.

Statement	Y	N	Reasoning
1. Tax products imported from other nations.			
2. Establish a system of public schools for the country.			
3. Appoint and confirm judges for the Supreme Court.			
4. Enter a treaty with Great Britain to protect the country.			
5. Make currency for citizens to use.			
6. Set aside funds to buy new ships for the navy.			
7. Grant the title of King to the president.			
8. Establish guidelines for becoming a citizen.			
9. Establish an office so people can patent their inventions.			
10. Set the minimum hourly wage for all workers.			
11. Hold a citizen forever without charging them with a crime.			
12. Establish the requirements for a driver's license.
