

MATH IN MOTION

Given the following graph, answer the questions with a partner.

Question	Answer	Vocabulary word
Which way is the u-shape opening? (up or down)		
Where is the highest part of the shape? Mark this on the graph with a point.		
What are the x-intercepts of the shape?		
Where is the line of symmetry on the shape?	<i>Draw the line of symmetry directly on the graph</i>	
Does this graph show a linear function?
