

PITCH REFLECTION

While watching each pitch, answer the reflection questions in the table below.

Questions	Pitch 1	Pitch 2	Pitch 3
What is the product? What problem was solved?			
What kind of investment is being requested?			
Who is the target audience for this product?			
Is there already a product similar to this one?			
What math did you see used in the pitch?			
What are the pros and cons of this product?
