DAWN.  
original scent  
This powerful cleaning formula works hard to  
scrub away grease, grime, and dirt from  
dishes, pots, and pans. It's so powerful,  
it will leave your dishes sparkling clean.  
It's also safe for use in dishwashers.  
For more information, visit us online at  
dawn.com. If Dawn gets in eyes, rinse  
with water. If swallowed, drink a glass of water.
