

## UNBOXING VIDEO

Summarize your learning on the topic.

What items are you unboxing? What is the significance of each item?

Who is your audience? Where will you be opening the box?

What technology will you use?

What materials or tools do you need for recording?

How is each group member contributing to the video project?

How does your video bring the 14th Amendment into the present day?

Record each step below in the correct order. Include what you will say and describe the actions.
