

LYRICS

"Cry Me A River" by Justin Timberlake

You were my sun
You were my earth
But you didn't know all the ways I loved you, no
So you took a chance
And made other plans
But I bet you didn't think that they would come
crashing down, no

You don't have to say what you did
I already know, I found out from him
Now there's just no chance for you and me
There'll never be
And don't it make you sad about it

You told me you loved me
Why did you leave me all alone
Now you tell me you need me
When you call me on the phone
Girl I refuse
You must have me confused
With some other guy
The bridges were burned
Now it's your turn
To cry

Cry me a river [Repeat 4x]

Know that they say
That some things are better left unsaid
It wasn't like you only talked to him and you
know it
(Don't act like you don't know it)

All of these things people told me
Keep messing with my head
(Messing with my head)
Should've picked honesty
Then you may not have blown it

You don't have to say (Don't have to say), what
you did (what you did)
I already know (I already know), I found out
from him

Now there's just no chance (no chance), for you
and me (you and me)

There'll never be
And don't it make you sad about it

You told me you loved me
Why did you leave me all alone (All alone)
Now you tell me you need me
When you call me on the phone (When you call
me on the phone)

Girl I refuse
You must have me confused
With some other guy (I'm not like them baby)
The bridges were burned
And now it's your turn (It's your turn)
To cry

So cry me a river (Go on and just)
Cry me a river (Go on and just)
Cry me a river (Baby go on and just)
Cry me a river

The damage is done
So I guess I'll be leaving

[Repeat 4x]

You don't have to say (Don't have to say), what
you did (what you did)
I already know (I already know), I found out
from him

Now there's just no chance (no chance), for you
and me (you and me)
There'll never be
And don't it make you sad about it

Cry me a river (Go on and just)
Cry me a river (Baby go on and just)
Cry me a river (You can go on and just)
Cry me a river

Cry me a river (Baby go on and just)
Cry me a river (Go on and just)

"Everytime" by Britney Spears

Notice me
Take my hand
Why are we
Strangers when

Our love is strong
Why carry on without me

Everytime I try to fly I fall
Without my wings, I feel so small
I guess I need you baby

And everytime I see you in my dreams
I see your face, it's haunting me
I guess I need you baby

I make believe
That you are here
It's the only way
I see clear

What have I done?
You seem to move on easy

And everytime I try to fly, I fall
Without my wings, I feel so small
I guess I need you baby

And everytime I see you in my dreams
I see your face, you're haunting me
I guess I need you baby

I may have made it rain
Please forgive me
My weakness caused you pain
And this songs my sorry

Oohh

At night I pray
That soon your face will fade away

And everytime I try to fly, I fall
Without my wings, I feel so small
I guess I need you baby

And everytime I see you in my dreams
I see your face, you're haunting me
I guess I need you baby
