

I don't like writing.

BLACKOUT POETRY

Writing is difficult for me.

BLACKOUT POETRY

Writing is not fun.

BLACKOUT POETRY

I enjoy writing about
things that interest me.

BLACKOUT POETRY

I have a difficult time
thinking of ideas to write
about.

BLACKOUT POETRY

I don't understand the
value of writing.

BLACKOUT POETRY

I won't need to write in
the job I will have one
day.

Writing is an opportunity
to express myself.

BLACKOUT POETRY

I like writing outside of
school.

BLACKOUT POETRY

Reading and writing are
completely different and
unrelated.
