# MAPPING OUT RESEARCH

Directions. Place your example cards in the correct order based on the statements below.

Research Question

What do you want to know?

Confounding Variable
What disrupts the relationship between the IV and DV?

Hypothesis

How can you test it?

Independent Variable (IV)

What is the cause?

IV

- -

ATTACH HERE

Experimental Group

Who gets the variable being tested?

Control Group

Who doesn't get the variable being tested?

1. Dependent Variable (DV)

What is the effect?

2. Dependent Variable (DV)

What is the effect?

Conclusion

What did you learn?

Confounding Variable
What disrupts the relationship between the IV and DV?

Confounding Variable
What disrupts the relationship between the IV and DV?
