

## FACTORY LABOR INSTRUCTIONS

Each person will have one task to complete. Once you have finished your task, you will pass the handout to the next person. Your group's goal is to complete 6 shoes in total.

- **Person 1:** You are the Team Lead. Your goal is to keep the group on task and supervise their work to ensure that each individual is doing only their task.
- **Person 2:** Choose **one** color, and only color the **sole** of the shoe.
- **Person 3:** Choose a **new** color, and only color the **laces** of the shoe.
- **Person 4:** Choose a **new** color, and only color the **shoe logo**.
- **Person 5:** Choose a **new** color, and color the **rest of the shoe**.
- **Person 6:** Cut out the colored shoe.
