

MATH CONCEPTS RESEARCH AND PRESENTATION

Use the table below to jot down notes from your research. If you prefer, you can brainstorm first on the Brain Dump page and then formalize your thoughts here.

Let's Get to Researching, Math Experts!

My Math Concepts	Notes	Resources

Notes from Partner's Presentation

Summary Statement

Come up with a statement that describes a connection between one of your math concepts and one of your peer's math concepts. This statement will be shared with the class.
