

GUIDED RESEARCH

Directions. Keep track of your research on how to design houses sturdy enough to survive a natural disaster by completing the following guide.

Key Search phrase formula:

“[topic]” AND “[topic]” – using quotation marks means all search results will have everything inside them, while using the AND tells your search engine all results need both topics.

Resource 1

Key search phrase: _____

Source title: _____

Source author: _____

Type of source: _____

Is it credible? (circle one) YES NO

Describe what you learned from this source:
