

# THE FINAL JUDGEMENT

## Describing Scatter Plots

Describe your scatter plot, then describe 3 other scatter plots. Use your description to decide if you would recommend that the network renew the show for another season or not.

**Season #:** \_\_\_\_\_

Description:

Based on this season, should the network renew the show for another season?

Why or why not?

**Season #:** \_\_\_\_\_

Description:

Based on this season, should the network renew the show for another season?

Why or why not?

**Season #:** \_\_\_\_\_

Description:

Based on this season, should the network renew the show for another season?

Why or why not?

**Season #:** \_\_\_\_\_

Description:

Based on this season, should the network renew the show for another season?

Why or why not?

## Trend Lines

Use a ruler to sketch a line of fit for your scatter plot.
