

MASK DESIGN PLAN

Consider how the principle of contrast, the elements of design, and the following composition practices can help you to communicate your message.

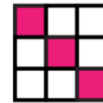

Position the most important element where the grid has an intersection.

Make each corner unique.

Using the diagonal will create a sense of movement.

Element/s of Design	What are you trying to say with the use of this element?
Colors Available: white, pink, red, yellow, orange, grey, light green, dark green, peach, purple, brown, light blue, blue, black
