CARD SORT: SORTING CARDS

Making sure you understand what you're reading by rereading, looking up words, or asking questions.

Thinking about what you've read to decide if it's interesting, important, or makes sense.

Relating what you're reading to your own life, other stories, or the world around you.

Creating mental pictures of the scenes, characters, or ideas in the text.

Guessing what might happen next based on what you've read so far.

Asking questions about the text to understand it better or learn more.
