

## EXIT TICKET

1. What did your gesture and word represent about the elephant's role in the ecosystem or the threat they face?
2. How did your group's chant or motto reflect what you learned about elephants and the communities connected to them?
3. What is one thing you learned today that filled you with a sense of *awe*, *joy*, or *respect* for elephants and the world they live in?
4. How did using movement, music, and performance help you understand the lesson in a new or deeper way?
5. What's one message from today's performance that you hope stays with others who saw it?
