

REAL-WORLD SCENARIOS

Directions:

For each line segment, find the slope and y-intercept. Then, come up with a real-world scenario that would explain what may have caused the graph to look this way during that interval.

Line a

Slope = _____

Y-Intercept = _____

Real-World Scenario:

Line b

Slope = _____

Y-Intercept = _____

Real-World Scenario:

Line c

Slope = _____

Y-Intercept = _____

Real-World Scenario:

Line d

Slope = _____

Y-Intercept = _____

Real-World Scenario:
